

**HALF PRICE FARM RIDE
ON SHOW DAY!
[click here for details](#)**

When you and your horse or pony have done the hard work at our show, relax and enjoy the wonderful Cheshire countryside by going round the Brookhouse Equestrian Centre Farm Ride.

An all weather surface is complemented by approximately 30 assorted jumps (optional) and a selection of scenery from wide open fields to sand tracks, woodland glades and sturdy bridges over small streams. The ride is well set out with arrows to point you in the right direction every time!

If you really want to blast the cobwebs away, there is also a half-mile uphill gallop (subject to there being no-one walking on it!) Please check before letting rip!

Brookhouse Equestrian Centre have kindly agreed to let all competitors at Bridgewater Shows pay a reduced fee of just £5 (payable at the Show Caravan) so you can chill-out after the stresses of the show rings!

Please remember to wear your number when going round as you may be charged again (at full rate) if the CRS staff see you!
