

BRIDGEWATER RIDING CLUB

Junior Newsletter

We, the junior committee would like to give a big welcome to all the junior members of Bridgewater Riding Club, and tell you a bit about us and our aims for 2010. We all compete or have competed at Bridgewater and between us have competed in nearly every junior class, from lead rein to main ring show jumping. So far this year we have been busy choosing new colours for the 7th & 8th place rosettes and designing quizzes and competitions for you to enter and win great prizes. We have loads of great ideas and you will hear more from us as the season gets underway.

As a junior committee member, we each have a say in everything that happens at Bridgewater Riding Club, so if you have any thoughts or comments about anything, come and have a chat to any of us on show day, well maybe not just before the jump off.....

We can't wait for the first show in April, it's going to be great to get back on the showground with our ponies.

See you all soon! - Bridgewater Junior Committee
